- Number your top 3 choices for **each** club day. There is a cap on the number of students for each club so there is a possibility you may not get into your first choice.
- If after 3 club attendances the student decides he/she isn't interested in that club the student should contact Mrs. Jost in Room 5. We will go over what clubs are available at that time. **Students may only switch to a different club one time.**
- There are clubs that may require a supply list. This will be determined after clubs begin and parents will be notified if supplies are needed.
- Homework Hub is available for any student who needs assistance with work. A student does not need to be signed up in order to attend.

Please return this form to your Pride by **Monday, January 4th**. Contact Laurie Jost with questions at ljost@lgamn.org.
