AIM Update!

September 19, 2014

The days are still warm, thankfully, as AIM program students continue to venture in to the community! We're still getting acclimated to schedules such as limited time for lunch, planning ahead for outings and keeping track of LOTS of details. WELL DONE STUDENTS for really stepping up in all areas of the program!

- You said conferences already??? Yup, it's that time of year already. An AIM staff member should be contacting you soon, if not already, regarding a HOME conference the week of September 29th. Many conferences can/will occur on the traditional conference dates of October 2nd and 3rd. Why conferences at home? It's all about transition... meaning, we'd love to see the student's home environment and work towards ways we can transfer skills from our program to home.
- **Helpful Information Regarding Reporting Absences (ok, one more time...):**
 - If parents or students have a question or concern about their route in the morning (after 6:00 a.m.), please call TCT dispatch line directly at: **952-884-6824, extension 113 or extension 118**. It is important to direct any questions about pick-up to TCT in the morning, as Emily Richards does not get in the office until 7:30 a.m.
 - If it is the night before an absence and students know they will not be riding the bus the next morning, please call and leave a voice message at **952-884-6824, extension 397**. If it's after 6:00 a.m. on the day of an absence, you can call and report your absence to the TCT dispatch line at **952-884-6824, extension 113 or extension 118** to let them know that you will not be riding that day.
 - In addition to notifying TCT of absences, it is imperative that AIM is notified as soon as possible when students will be absent. Please call our front desk or e-mail Emily Richards **and** your student's case manager when you know of an absence, late arrival or early release.
- Important Telephone Numbers:
 - Twin City Transportation: **952-884-6824**
 - Twin City Transportation Dispatch Line: **952-884-6824, extension 113 or 118**
 - AIM Program Front Desk: 651-348-6574

Did you know???

- If you buy your own Metro Transit "To-Go" card: you can store value, have multiple users, register cards for safety and more!
